

## Performance Improvement in the Private Sector

### KPMG Boxwood with McCarthy & Stone

KPMG Boxwood's outstanding work with specialist retirement housebuilder McCarthy & Stone has helped put the company on track to hit ambitious growth targets and improve its return on capital. The client wanted to double its annual output to 3000 homes, in order to satisfy rising demand from a growing elderly population. However, the company's existing structure and culture was pushing up costs and slowing the construction process.
